

Peter's Patch
Forest School - Day Care - After School Club

Staff Training

Nursery staff will be provided with training, support and supervision that will extend their knowledge and understanding of different cultural groups and disabilities and ensure it is up to date so that they are able to implement the nursery's policy appropriately.

The management team will attend regular training events and conferences.

Peter's Patch Nursery will follow the policies and procedures in regards to recruitment, staff appraisals, training and where appropriate, Equal Opportunities.

Although we are only required to have 50% of our staff qualified, we are proud to be working towards having a 100% qualified staff team.

Peter's Patch Day Nursery support staff training requirements during employment and encourage ongoing training and updates throughout employment.
